Summary of the Response to Office Action

DETAILED ACTION

Drawings

1. The drawings are objected to because in figure 8, each figure should be separately labeled, i.e. Fig. 8a, Fig. 8b.
Figures 8a and 8b are separately labeled.

In figures 1-3,6,7 and 9, it is not clear what the darkened portions (i.e. darkened flap 13) represent. Do the dark areas represent the adhesive ?
Yes, those are peel off glue. The peels off glue are newly numbered as (13-1).

Figures 1 and 2 are confusing since the darkened area is on both the front and back surface of the flap 13 on panel 16.

All the figures 1-9 are renumbered to make more clear description of the drawings.
